

NORTHERN IRELAND POLICING BOARD'S FORFEITURE PROCEDURE

This document sets out the procedure to be followed by both Officials within Police Pension and Injury Benefits (**PIIB**) Directorate when processing a potential forfeiture case, and the Northern Ireland Policing Board's (the **Board**) Resources Committee when considering a potential forfeiture case under the:

- *Regulation K5 and H5 of the RUC Pensions Regulations 1988, (the **1988 Regulations**).*
- *Regulation 52 of the Police Pension (Northern Ireland) Regulations 2009 (the **2009 Regulations**).*
- *Part 13, Chapter 5 of the Police Pension Regulations (Northern Ireland) 2015 (the **2015 Regulations**);*
- *Regulation 38 of the PSNI and PSNI Reserve (Injury Benefit) Regulations 2006 (the **2006 Regulations**);*
- *Section 18 of, or listed in section 33(3)(a) ¹of, the [National Security Act 2023](#)*

The relevant extracts from each set of Regulations along with paragraphs 1 and 3 of Section 33 (3) (a) of the *National Security Act 2023* have been provided at **Annex A**.

BACKGROUND AND RESPONSIBILITIES

Members will be aware that the Board has various statutory responsibilities under the aforementioned Regulations with regard to forfeiture. The 1988, 2009, and 2015 regulations contain provisions that allow the Board to determine that forfeiture may apply, subject to a Ministerial certificate, in cases where either:

- a member of the police service has been convicted of treason⁽²⁾ or of offences under the Official Secrets Acts 1911, 1939, 2023 and has been sentenced to a term (or terms) of imprisonment of at least ten years.
- where a member of the police service has been convicted of an offence committed in connection with their service as a member of a police service, which is certified by the Minister of Justice either to have been gravely injurious to the interests of the State or to be liable to lead to a serious loss of confidence in the public service.

¹ In accordance with *Schedule 1, paragraphs 2, 17, 28 and 51 of The National Security Act 2023 (Consequential Amendments of Subordinate Legislation) Regulations 2023*, each of the above Regulations have been amended to include *Section 18 of, or listed in section 33(3)(a) of, the [National Security Act 2023](#)*.

⁽²⁾ *The crime of treason is no longer included as a reason for forfeiture in the 2015 Regulations.*

In order to be eligible for a forfeiture certificate, the offence(s) must have been committed in connection with their service as a member of the Police Service.

Resources Committee is responsible for implementing the certificate decision under delegated authority from the Board, as well as the amount to be forfeited and the duration that forfeiture should apply for.

Whilst the Board cannot forfeit a pension without a certificate from the Minister of Justice, the issuing of such a certificate does not oblige them to proceed with forfeiture.

The baseline position in principle is that pension rights, once earned, will only be forfeited in serious circumstances. A person's rights to a police pension are part of the remuneration package to which their service has entitled them, and a conviction will not automatically result in a certificate being issued.

This procedure takes account of the updated Pensions Forfeiture Guidance and Toolkit September 2024 issued by the Association of Policing and Crime Chief Executives (**APACCE**) and the PPSPD 03/2024 Circular issued by the Department of Justice (**DOJ**), appended at Annex B and C, consecutively.

PENSION SURVIVOR FORFEITURE

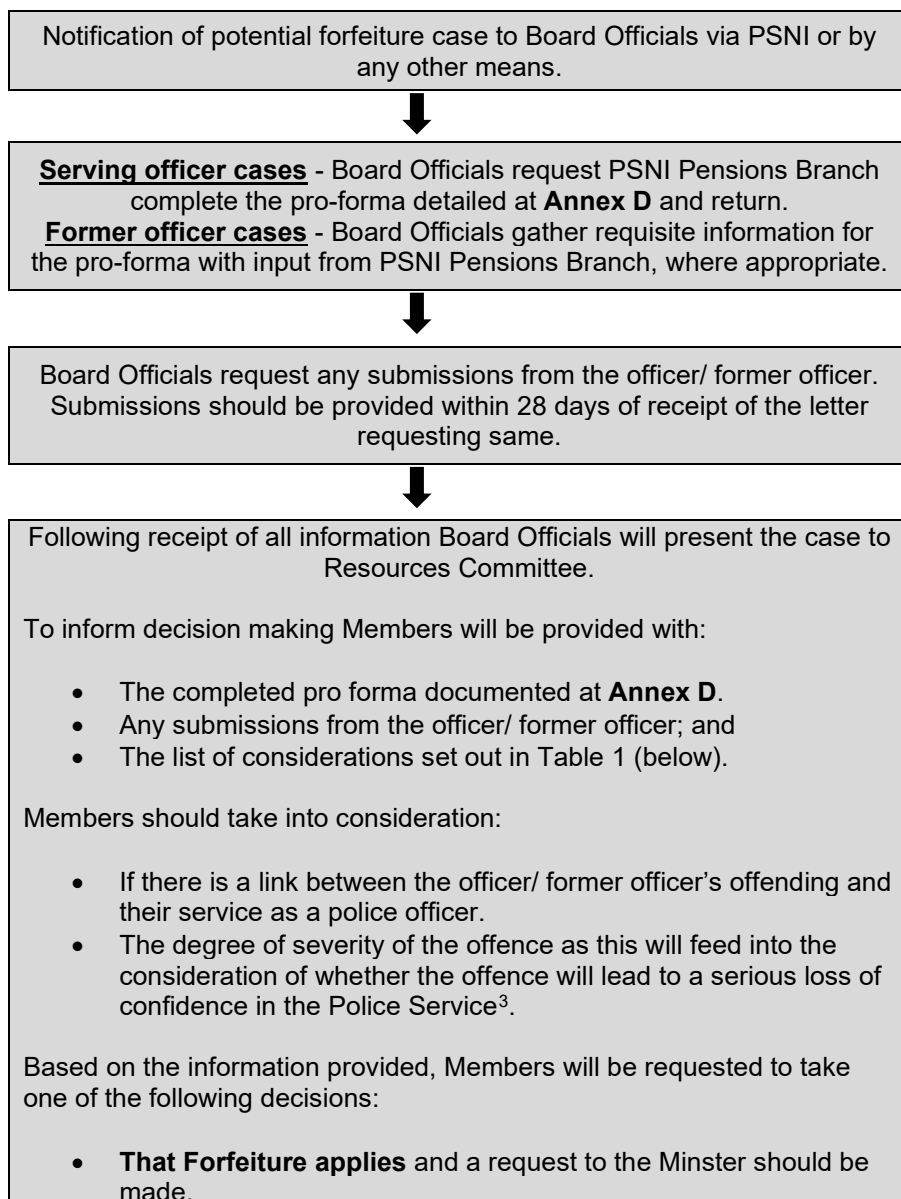

It should be noted that this procedure will be implemented where it is considered that the beneficiary of a deceased member is convicted of a relevant criminal offence. In such cases, the Board may require the scheme manager to withhold benefits payable to the beneficiary in respect of the member.

1.15 A relevant criminal offence" means—

- (a) the murder of the member;
- (b) the manslaughter of the member; or
- (c) any other offence of which the unlawful killing of the member is an element.

FORFEITURE PROCESS

The flowchart below sets out the process that Board Officials will follow when they are made aware of a potential case for forfeiture either via PSNI Pensions Branch or by any other means.

³ It will be for the Minister of Justice to determine whether the offence is liable to lead to a serious loss of confidence or is gravely Injurious to the interests of the State.

- **That Forfeiture does not apply** – no further action required.
- **Legal advice is required** to enable a forfeiture decision.

Detailed notes will be made of the rationale for the decision to demonstrate that that all issues were considered and given the appropriate weight.

Table 1: List of considerations that Members should consider in order to inform decision making

- The circumstances surrounding the offence and investigation; the seriousness with which the Court viewed the offence(s) (as demonstrated by the punishment imposed and the sentencing remarks); and the seniority of the officer (pension scheme member) or former officer (the more senior, the greater the loss of credibility and confidence).
- The extent of publicity and media coverage.
- Whether the offence involved:
 - i. conspiracy amongst several officers.
 - ii. active support for criminals.
 - iii. the perversion of the course of public justice.
 - iv. the betrayal of an important position of trust for personal gain; and/or
 - v. the corruption or attempted corruption of junior officers.
- Mitigating circumstances.
- Disability in the family.
- Illness at the time of the offence.
- Assistance or information given to the police during the investigation or following

Any mitigating factors will need to be considered in full and will be unique to each case.

Note: *If an officer / former officer is intending to appeal against a conviction or sentence, the pension forfeiture procedures should be stayed pending the conclusion of appeal proceedings. Forfeiture may only be considered in respect of a pension currently in payment or about to be brought into payment.*

The following points have been taken from the guidance document at **Annex C** to further assist Members in their decision making:

- High levels of media coverage should not be the sole basis for decision making.
- Members should not limit themselves to what could be considered the 'upper end' of offences. Nor should they be persuaded that an offence is not 'serious' enough to warrant consideration. Whilst the current guidance notes that forfeiture should be for 'serious' cases, this has not been defined. It is for this Committee and then the Minister of Justice to decide what they believe is serious.
- Any request for legal advice should be considered for each case, on its merits.
- Members should be supported in their decision making by the Chief Executive/ Monitoring Officer of the Board.

PROCESS FOLLOWING RESOURCES COMMITTEE DECISION

Where Members decide that forfeiture:

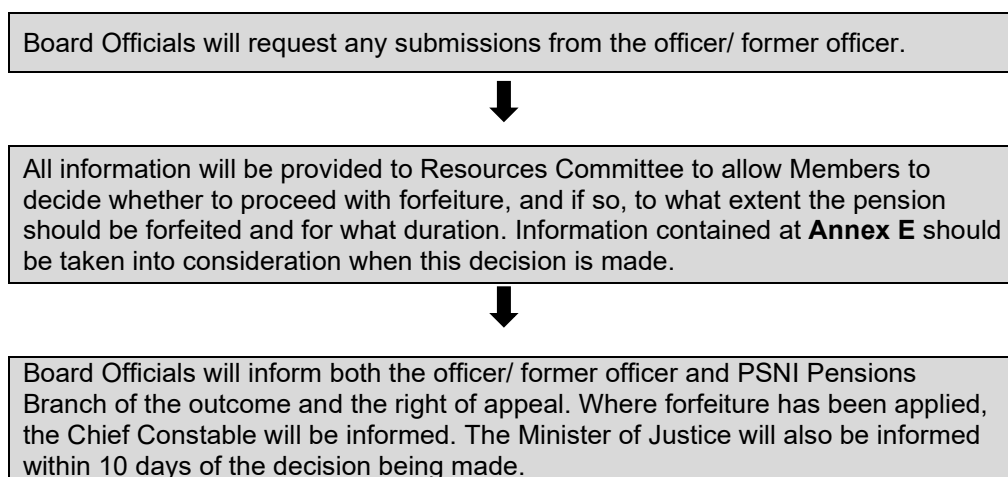

- **Does not apply** – Board Officials will inform the officer/ former officer and PSNI Pensions Branch and the case will be closed.
- **Legal advice is required** - Board Officials will request same from the Crown Solicitors Office (CSO).
- **Does apply** - Board Officials will prepare the requisite information, to include the pro-forma attached at Annex D, and any submissions made by the officer/ former officer and this will be forwarded to the Department of Justice, electronically, for consideration. The officer/ former officer and PSNI Pension Branch will also be informed.

The role of the Minister of Justice is to certify whether the offence committed is considered to be -

- (a) gravely injurious to the interests of the State, or
- (b) liable to lead to a serious loss of confidence in the public service.

If the Minister of Justice accepts that the criteria for forfeiture has been met and issues a certificate, Board Officials will be informed with the reasons for same.

The flowchart below sets out the steps that should be taken if the Minister of Justice issues a forfeiture certificate.

RELEVANT REGULATIONS

(reference also made to *The Police Pensions (Amendment) Regulations (Northern Ireland) 2024* and *National Security Act (Consequential Amendment of Subordinate Legislation) 2023*)

- **RUC PENSIONS REGULATIONS 1988**

K5 – (3) The offences referred to in paragraph (2)(a) are:

(a) An offence of treason.

(b) one or more offences under the Official Secrets Acts 1911 to 1939(a), or under section 18 of, or listed in section 33(3)(a) of the National Security Act 2023 for which the grantee has been sentenced on the same occasion to a term of imprisonment of, or to two or more consecutive terms amounting in the aggregate to, at least 10 years.

K5 (4A) –) If the Board as per Part 3, Regulation 50 (5) of The Police Pensions (Amendment) Regulations (Northern Ireland) 2024 withholds all of the benefits payable to a beneficiary, Parts C, D, and E apply as if the beneficiary has died before the member.

K5 – (5) In the case of a pension to which this regulation applies, other than an injury pension, the Policing Board in determining whether a forfeiture should be permanent or temporary and affect a pension in whole or in part, may make different determinations in respect of the secured and unsecured portions of the pension; but the secured portion of such a pension shall not be forfeited permanently and may be only forfeited temporarily for a period expiring before the grantee attains state pensionable age or for which he is imprisoned or otherwise detained in legal custody.

K5 – (6) To the extent to which a pension is forfeited under this regulation, the Policing Board shall be discharged from all actual or contingent liability in respect thereof.

ANNEX E

OFFENCE TYPE AND FORFEITURE AMOUNT

To assist Members further, outcomes from England and Wales have been collated to provide a guide to the percentages forfeited for certain crime types, in the manner of sentencing guidelines. This in no way compels Members to stick to these guidelines, as each case will have its own specific circumstances and potential mitigations. Furthermore, some of the areas, such as 'misconduct in public office' can cover an exceptionally broad set of circumstances. Nevertheless, the table should provide a wider understanding to the amounts that have been forfeited previously.

Offence	Forfeiture amount
Common Assault	10-20%
Theft	25-35%
Rape/ sex offences (adult)	50-65%
Child sex offences(not IIOC)	60-65%
Misconduct in public office*	20-65%
Corruption	55%
Computer misuse	20%
Perverting the course of justice/ attempting to *	20-65%
ABH	25%

** Both offences of Misconduct in Public Office, and Perverting the Course of Justice, can cover an extremely broad set of circumstances, from computer misuse, to abuse of position for sexual purpose and so on. Therefore, the amounts forfeited will vary significantly. It is suggested that in these cases, the actual detail of the case be considered, as opposed to the criminal conviction.*
