3. Of the data from question 2, please further disaggregate by age (age bands are acceptable e.g. 18 - 29, 30 - 40 etc etc)

Answer:

I can confirm that the Board holds information falling within the description specified in your request under questions 1, 2 & 3. However, we estimate that the cost of complying with this request would exceed the appropriate limit. The appropriate limit has been specified in regulations and for the Board it is set at £450. This represents the estimated cost of one person spending 18 hours in determining whether the Board holds the information, retrieving and extracting the information. Under section 12 of the Freedom of Information Act the Board is not obliged to comply with your request under questions 1, 2 & 3 so will not be processing your request further.

Guidance published by the Information Commissioner's Office (**ICO**) states that where a public authority claims that section 12 of the FOIA is engaged, as in this case, the public authority should, where reasonable, provide advice and assistance to help the requestor refine their request so that it can be dealt with under the appropriate limit.

If you narrow the scope of your request for example, from financial years 1 April 2021 to 31 March 2024, or alternatively from 1 April 2024 to 31 March 2025, the Board may be able to provide the information required because it would cost less than the appropriate limit to do so. If questions 2 & 3 are dropped, then the Board can provide a response to all months and banding requested.

Any reformulated request the Board receives from you will be treated as a fresh FOI request

If you have queries about this request or the decision, please contact the Board quoting the reference number above. If you are unhappy with the service you have received and wish to make a complaint or request a review you should contact the Board's Chief Executive -
