Date: 11 August 2025

Request.

I would be grateful if you could provide me with the following information:

1. From the period 1 January 2018 to date, how many injury on duty applications (including those made at the same time as ill-health retirement applications) have been considered by Dr Adejoro?
2. Of these, how many have been appealed by the officer concerned?
3. How many of these appeals have been concluded?
4. How many of the concluded appeals have resulted in either an IOD being awarded after decision of non-award, or a change in the banding?

Answer:

This request seeks data on an individual Selected Medical Practitioner and the information if released would result in the disclosure of personal information.

This personal information is exempt from disclosure to you under section 40(2) by virtue of section 40(3)(a)(i) of the FOIA.

Section 40(2) allows a public authority to withhold information from a response to a request for information under the FOIA when the information requested is personal information relating to someone other than the requester and its disclosure would contravene one of the data protection principles.

The first data protection principle requires personal data to be processed fairly and lawfully. This personal data is exempt from disclosure under section 40(2) of the FOIA as, in our view, it would be unfair to provide it to you, and therefore disclosure would be in contravention of the first principle of the UK General Data Protection Regulation. This is an absolute exemption and there is no requirement to conduct a public interest test.
