Answer:

1. Since January 2024, four applications under *Regulation 11 of the PSNI and PSNI and PSNI Reserve (Injury Benefit) Regulations 2006* have been made.
2. Since January 2024, all four are either ongoing with the Northern Ireland Policing Board(the Board) or with the Department of Justice on appeal.
3. Given the small number of applications, the information may allow the identification of personal data of third parties.

This personal information is exempt from disclosure to you under *Section 40(2)* by virtue of *Section 40(3)(a)(i)* of the FOIA. *Section 40(2)* allows a public authority to withhold information from a response to a request for information under the FOIA when the information requested is personal information relating to someone other than the requester and its disclosure would contravene one of the data protection principles. The first data protection principle requires personal data to be processed fairly and lawfully. This personal data is exempt from disclosure under *Section 40(2)* of the FOIA as, in our view, it would be unfair to provide it to you, and therefore disclosure would be in contravention of the first principle of the UK General Data Protection Regulation. This is an absolute exemption and there is no requirement to conduct a public interest test.

4. Of the applications that have been assessed by Selected Medical Practitioners (**SMP**) none have been successful.

5. Given the small number of applications, the information may allow the identification of personal data of third parties.
