

FREEDOM OF INFORMATION REQUEST

FOI Reference number: FOI 53/2025

Date: 1 October 2025

Request.

Under the Freedom of Information Act 2000, please provide any correspondence between the Policing Board and PSNI senior management (ACC or above) between 1 January 2022 – 31 January 2025 regarding:

1. The use of the Attendance Management Policy.
2. The application of Written Improvement Notices (WINs).
3. Delays in the Ill-Health Retirement (IHR) process, including OHW/SMP waiting times.
4. The decision-making process for reducing officers to half pay.

Answer:

We can confirm that the Board holds information falling within the description specified in your request.

This information is being withheld under section 12 (1) (of the Freedom of Information Act) as we estimate that the cost of gathering the information would exceed the appropriate limit. Consequently, the Board is not obliged by the Freedom of Information Act 2000 to respond to your request.

We have received a number of requests for information that are similar to your request.

Guidance from the Information Commissioner's Office states -

When a public authority is estimating whether the appropriate limit is likely to be exceeded, it can include the costs of complying with two or more requests if the conditions laid out in regulation 5 of the Fees Regulations are satisfied. Those conditions require the requests to:

- Be made by one person, or by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign;
- Relate, to any extent, to the same or similar information; and
- Be received by the public authority within any period of 60 consecutive working days.

We believe these conditions have been met in respect of this request and have aggregated the costs of complying with a total of 3 separate requests.

The appropriate limit has been specified in regulations and for the Board it is set at £450. This represents the estimated cost of one person spending 18 hours in determining whether the Board holds the information, locating, retrieving and extracting the information. The estimated cost of complying with your request is taken to be the estimated total cost of complying with all requests made under the same subject matter.

Guidance published by the Information Commissioner's Office (ICO) states that where a public authority claims that section 12 of the FOIA is engaged, as in this case, the public authority should, where reasonable, provide advice and assistance to help the requestor refine their request so that it can be dealt with under the appropriate limit. Unfortunately, in the specific circumstances of your request it is difficult for us to suggest how you could narrow your request.

Any reformulated request the Board receives from you will be treated as a fresh FOI request.

If you have queries about this request or the decision, please contact the Board quoting the reference number above. If you are unhappy with the service, you have received and wish to make a complaint or request a review you should contact the Board's Chief Executive -
