## FEBRUARY MEETING

At the first public accountability session of 2021 conducted fully online, Board members focused on the policing approach taken at a number of events related to the Covid Regulations which had raised community concern and comment. Questions were also raised around budget, resources and the position with a number of reports and reviews.

Watch our next public session on Thursday 4 March 2021 at 12:30

We postponed the scheme launch due to current restrictions but will review timescales at the end of February.

## NEW COO

The Board has appointed Pamela McCreedy as the first Chief Operating Officer (COO) for the PSNI. We look forward to working with her.
