

Northern Ireland Policing Board

Policy on Board Publications

Drafted 17th August 2005

The Northern Ireland Policing Board routinely produces a range of publications, some of which are statutory responsibilities (including the Annual Report). As a matter of policy, these publications shall:

- Be designed to be as useful and accessible to the general public (or specific, targeted audience) as possible
- Meet government access standards and statutory requirements
- Be published in the most appropriate format(s)
- Be available for reasons of accessibility in printed form, not just electronically
- Be available, on request, in different formats, including large print, Braille, on audio tape, or in other languages (in line with Board policy)
- Be accurate and honest
- Provide good value for money
